For humans

Monarki Stockholm Mediaproduktion AB is a Stockholm production company founded by Marcus Frändberg. Registered in 2011–2012 (org. 556879-2989) and active since around 2009, Monarki has spent 16+ years making film, photography and branded content — hundreds of productions for agencies, brands and in-house teams. Marcus's background spans TV format development, production and hosting with Strix, TV4, SVT and others. The work is made for people: clear, considered, and built to travel across web, social and screen.

Monarki Stockholm · Production · Film · Photography

Proof in the work — and in the people who commission it.

TESTIMONIALS

“To collaborate with Monarki has been great! They are quick, effective, focused on quality and have fantastic ideas.”

Patricia Cifre — Brand strategist / E-commerce, Upfield

“Monarki have helped us with several film productions. Everything from quotation preproduction briefing production and deliveries. Not to mention a very close and pleasant dialog through out the entire project. That's what you dream of as a client”

Jonas Darle Olsson — Marketing communication Manager, NIGAB

“A quality, solutions orientated approach to service with a smile. Monarki Stockholm are a true pleasure to work with and the quality of their work is matched only by their dedication and commitment to provide the best possible results.”

Tom Astin — Global Brand Director, AEG · Electrolux (historical)
